Just a short time ago the manage-ent showed at this theatre the feature notoplay The Rosary, a seven-reel leture that caught the town by storm, and notwithstanding the extremely hot eather at that time, hundreds were irned away at every performance, unturned away at every performance, unable to gain admission to this playhouse. It is an unusual thing for a druggist to self medicine under a sunrantee to refund the money if it does not cure. Yet this is the way Lee & Osgood, the popular druggists, are selling Mi-o-na, the standard dyapepels remedy.

Never before have they had so large a number of customers tell them that a medicine has been successful as with Mi-o-na. People who a few months, ago looked like walking akcistoms have put on flesh and today are ruddy and vigorous with perfect digestion and good health.

There is no longer any need for anyone suffering or making their friends suffer on account of dyspepsia. Mi-o-na can always be relied upon. The percentage of cures is so great that there is little risk to Lee & Osgood in guaranteeing to return the money if the medicine does not relieve. And they stand ready to do so without any questions.
